*Denotes *magnet* school with a home attendance zone. Questions about transportation in the home attendance zone should be referred to the ZTS listed. If the call is about a student outside the home attendance zone, refer to Daisy Wilkins or Jeff Everette based on the student's high school attendance zone per the listing above. High school attendance zones may be determined by using the *Street Listing* book or by accessing the "*School Locator*" on GCS Web Page.

**Calls about transportation of homeless students should be referred to Student Assignment (370-8303) for verification. Assignment of students to buses will be made after approval from Student Assignment.

This list is for Transportation Department use only. Do not distribute outside this department.
